Jennifer Woods is a livestock handling specialist out of Blackie, Alberta. She obtained her Animal Science degree from Colorado State University where one of her professors was Dr. Temple Grandin, whom she has continued to collaborate with over the past decade. Jennifer has extensive work in the swine industry focusing on transportation, handling, facility design, emergency response and euthanasia. She is a PAACO certified animal welfare auditor and provides third party welfare auditing and program development on all species including swine. Jennifer's swine industry clients and collaborators include Smithfield Foods, Murphy Brown LLC, National Pork Board, Cargill Pork, Indiana Packers, Maple Leaf, Olymel, Alberta Pork, Alberta Farm Animal Care, Iowa Pork Congress, Cooper Farms, Iowa State University, North Carolina Pork Council, and American Meat Institute. She is on the Board of Directors for the Animal Transportation Association, a member of the North American Food Animal Well Being Commission, committee member for Certified Livestock Transport (CLT) and sits on the animal welfare committee's for Sysco Foods and the American Meat Institute. Jennifer is currently obtaining her masters degree from Iowa State University Veterinary College in the Euthanasia of Swine Through Physical Methods.

### Course will cover:

- Swine behavior and handling
- Facility Design
- Proper Application of Handling Tools
- Transportation and Fitness to Transport
- Stunning and Processing
- Euthanasia
